Surcharge Cut From the City Water Rates

Reduction of water charges by the removal of the 20 per cent surcharge which has been in force nearly two years was authorized by the city trustees last night. The motion of Trustee Sparks was seconded by Trustee Topping, after an appeal had been made by members of the citrus growers association. It was pointed out that the surcharge had been enacted to meet increased pumping costs due to advances in the Edison company's power rates. These power surcharges have since been reduced and it was claimed the water surcharge should also be removed.

Delay in making reductions was urged by Trustees Mitchell and Richards on the ground that neither the trustees nor the water superintendent could tell how much would be needed to complete necessary improvements to the water system. Until definite estimates could be made they felt that the city water revenue should not be curtailed. The discussion became heated at times and afforded entertainment for a packed house.

Engineer Employed

O. A. Gierlich of Monrovia was employed as city engineer on a per diem basis, the system in vogue early in the city's history.

Cox Is Inspector

George Cox was employed as inspector of buildings, wiring and plumbing, the sum of \$25 monthly being added to his salary as night watchman.

Forest Patrol

Resumption of forest patrol service will begin May 28, the trustees voting to appropriate \$70 monthly for a man to be hired jointly with the U. S. forest service.

Lights Will Shine

The trustees agreed to furnish light for the new standards to be installed under the Chamber of Commerce contracts on Central and Baldwin, adding 16 ornamental lights to the system.

Traffic Ordinance

To remove the menace which now exists on Kersting Court, the city attorney was ordered to prepare an ordinance making Kersting Court a one-way street and prohibiting parking alongside the P. E. Track; also to afford protection at the dangerous corner of Sturtevant Road and Woodland Drive.

Trustee Topping raised objections to the activities of the motor police but after some discussion City Marshal Udell was instructed to continue enforcing the regulations. It was argued on the other side that when the state law sets a limit of 20 miles an hour there should be no objection to arrests for a speed over 30 miles. Mr. Udell reported that the speed trap plan had been discontinued.

SWITCHBOARD WORK INTERRUPTS SERVICE

Telephone Company Installing New Board to Handle Growing Business

Occasional interruptions to telephone service may be expected during the next thirty days, according to manager Orville Emley of the Sierra Madre Telephone and Telegraph Co. But patrons of the company will be ready to excuse this when they know it is in the interest of better service.

Rapidly growing demands for service have made it necessary to install complete new switchboard equipment of the most modern type. During the installation of this new board there will be occasional interruptions to the service on individual lines, of perhaps five minutes duration. So if your phone appears to be "dead" do not jump to the conclusion that it is out of order. Just have a little patience and try again before rushing out to some other phone to put in a call for the "trouble shooter."

JACK MITCHELL IN REAL ESTATE GAME

Jack Mitchell has arranged to take over the real estate and insurance business of the late Ben Gettelman, with office at 175 Mountain Trail Avenue. He will continue to act as authorized Ford and Lincoln salesman for the Sierra Madre Garage and may be reached by phone at either place.

Firemen's Club To Issue Bonds

Directors Authorized to Proceed Toward Completion of the Clubhouse

Mortgage bonds in the amount of \$15,000 have been authorized for the completion of the Firemen's Club building. Title to the property having been vested in the club, this procedure has been made possible and the directors have been authorized by vote of the membership to go ahead.

Acting on this plan, the directors of the club have authorized Attorney Robert Mitchell to prepare the necessary papers. It is expected the bonds will be sold in Sierra Madre.

At the regular meeting of the club Wednesday evening, the building program was discussed at length. Bids have been asked on the various departments of the work, brick, carpenter, plumbing, wiring etc. The bids will be opened on May 3 and it is hoped the work can proceed without delay.

GRANT'S CENTENARY IS OBSERVED AT SCHOOL

With members of the Grand Army of the Republic and the American Legion, and a bugle squad from the Army Balloon School participating, the public school observed the 100th anniversary of the birth of General Ulysses S. Grant yesterday afternoon. The exercises were held in the open air and the school's new flag was dedicated. The following program was rendered:

- Bugle Call**
1. Music—America, four stanzas. Bugle call To Colors.
 2. Salute to the Flag. The American's Creed.
 3. A statement of the occasion and purpose of the program.
 4. Music—The Vacant Chair. Mrs. Gay and Mrs. Moore.
 5. Sketch of the Life of Ulysses S. Grant—Danson Tarr.
 6. Music—Tenting on the Old Camp Ground. Selected Group.
 7. Grant in the Civil War Hilma Rhodes.
 8. Music—Battle Hymn of the Republic, by the school.
 9. Grant as President. Allen Heame.
 10. McKinley's Appreciation of U. S. Grant. Velma Reavis.
 11. The Star Spangled Banner, by the school.

DOG IS THE STAR IN TONIGHT'S FILM

In "The Call from the Wild," the five-reel film to be shown at the Congregational Church this evening, there are two heroes—a boy and a dog. The boy is Frankie Lee and the dog is Highland Laddie which the boy refused to kill as an unwelcome puppy. How the dog grew up among the wild animals and how he and the boy took turns in saving each other forms the basis of the story which is full of thrills and laughs. The film is highly recommended for young and old.

The entertainment is given by the boys of Mrs. Hull's Sunday School class. There will be no admission charge but a silver offering will be taken for the Sunday School piano fund. Enough money was on hand to permit the purchasing of the piano this week and it is hoped the entertainment will net enough to complete the payments.

TROUT SEASON OPENS MONDAY

Wouldn't it make your heels itch to look at the window display of the Sierra Madre Hardware Co.? Their west window is a reminder that the fishing season opens May 1 and that they have all the paraphernalia needed for a successful expedition. They have also provided for the convenience of their patrons by arranging to furnish fishing licenses, so it will no longer be necessary to go to Los Angeles to comply with that formality.

E. J. WEBSTER TO HEAD SALVATION ARMY DRIVE

The preliminary work of starting the Salvation Army campaign for funds began Thursday afternoon when E. J. Webster was appointed head of the executive committee of the drive. Mr. Webster will spend the next few days in making appointments on the executive committee and a meeting will be held at 2 o'clock Monday afternoon at the Chamber of Commerce.

Miss M. Loretta Hansen, civilian field representative of the Salvation Army will be present Monday afternoon and the plans of the campaign will be arranged. There will be a number of sub-committees appointed and work will begin at once. The amount estimated as Sierra Madre's part of the fund is \$500 and the drive is scheduled to end May 8.

COMMUTER LUNCH AT CITY CLUB

The date of the first commuter's lunch will probably be May 10, according to Dr. F. P. Miller, chairman of the Commuter's Luncheon Committee. The committee has investigated the situation and a special room can be secured at the City Club at a comparatively low guarantee. The City Club is located in the Chapman building at seventh and Broadway. The committee will spend the next few days in interviewing commuters and if enough interest is shown, the luncheons will be made a part of the Chamber of Commerce program.

Local Happenings

Mr. and Mrs. J. D. Mackerras have been enjoying an outing at Avalon this week.

Mrs. Palmer Rhodes and Mrs. J. Milton Steinberger were delegates from the Woman's Club to the Reciprocity Day of the Huntington Park Woman's Club on Thursday.

The Modern Priscillas were delightfully entertained on Thursday by Mrs. Ernest L. Yerxa and Mrs. Henderson Childs, with an afternoon tea at Hotel Vista Del Arroyo.

Mrs. J. J. Hart who has been seriously ill at Dr. Finley's sanitarium in Pasadena is reported to be convalescing and will be able to return home soon.

Mr. and Mrs. Schepmose who have been spending the winter with Mr. and Mrs. George P. Rikeman, 29 W. Live Oak, leave today for their home in the east. They will spend about a month on their way home to New York.

Mmes. F. J. Hart and J. Milton Steinberger represented the Sierra Madre Woman's Club on Tuesday at the birthday celebration of the Philanthropy and Civics Club, held at the Elk's Home in Los Angeles. Mrs. Steinberger was one of the luncheon speakers.

Messrs. W. S. Hull, Fred Griebenow and Charles Klunk of the Sierra Madre Hardware Co., have been attending the sessions of the semi-annual convention of the Southern California Retail Hardware Association in Hollywood this week. Their wives were included in the party for the convention banquet Wednesday evening.

Masons Learn Chopstick Art

Annual Stunt Night Provides Great Variety of Fun as Well as Novel Dinner

The annual "stunt night" of the Masonic Lodge on Tuesday was an event long to be remembered by all present. From start to finish it was a continual round of fun. It began with a Chinese dinner where were seen some weird stunts with the chop sticks which were the only working tools provided for the diners. It wound up with a stunt program on which all who came unprepared to contribute a number were assigned impromptu stunts.

Genuine Chinese dishes were served for the dinner, the main item being an especially delicious chop suey. Many of the diners used the chop sticks like old hands. Others acquired the art quickly under the spur of necessity. But many found relief in the signs on the wall which said forks and spoons would be furnished at 5 cents per. The meal was enjoyed clear to the dessert consisting of litchi nuts, ginger and rice cakes. The laughter of the diners was occasionally punctuated by the popping of loaded cigarettes which were concealed among the genuine smokes provided. The menu was arranged and prepared by Raymond Andrews, with the assistance of other members of the entertainment committee.

Mrs. Charles Kove of Los Angeles is spending the week at the home of her parents, Mr. and Mrs. I. B. Goldberg of 171 Adams St.

Mrs. Clark Constant and Miss Claribel Constant, former residents of Sierra Madre, announced at a charming tea in Azusa last Saturday the engagement of Miss Constant to Mr. Franklin R. Johnson, Jr., of Hollywood. Miss Constant is well known here, having been a member of the younger set. Those attending from Sierra Madre were Mrs. Justus Kraft, Miss Elsa Kraft, Mrs. Roland Adams, Mrs. Victor Hill and Mrs. H. P. Cripps.

Miss Ethel Powell was pleasantly surprised with a birthday party at her home on Saturday evening. Cards and music were enjoyed throughout the evening and a delicious birthday supper was served. Those present were: Mrs. Spencer Howard, Mr. and Mrs. F. E. Barbour, Mr. and Mrs. W. E. Doty, Mr. and Mrs. V. C. Hill, Miss Verna Tribble, Miss Lucile Drummond, Miss Marion Decker, Mr. L. Pruden, Mr. F. Schellenberger, Mr. William Gador, Mr. Earl Wathem and Mr. Frank Spencer.

Mrs. M. D. Welsher was hostess at a farewell party on Friday last in honor of Mrs. J. E. Appleby and Miss Eleanor Francis who left Monday for Akron, Ohio, where they plan to remain for an indefinite length of time. The guests who numbered over forty wrote train letters for the honorees and presented Mrs. Appleby with a handsome leather suit case. A beautiful bouquet and a dainty box of sweet meats were given to Miss Francis. Mrs. F. J. Parks of Hollywood delighted everyone with several recitations. A delightful repast was served.

SCHOOL'S MAY FESTIVAL TO BE HELD NEXT FRIDAY

Public School Pupils Preparing A Splendid Program of Entertainment

Pupils and teachers of the public school have been busy for some time preparing for the annual May Festival which has come to be one of the big events of the school year. It will take place this year on Friday, May 5th. There will be a program in the morning from 10 to 12 in which all the pupils take part. In the afternoon the athletic field day will be held. All parents and friends of the school are invited to attend the events. The program follows:

- Ten to Twelve A. M.**
1. Queen's Trumpeter.
 2. Grand Procession
 3. Flower Girls
 4. May Queen—Mary Allen.
 5. Attendants
 6. Crown Bearer
 7. Crowning of May Queen.
 8. Operetta A Rose Dream
- Story**
- Little Rose, who has wandered away from home and is lost, falls asleep. The Fairies find her. The Fairy Queen designates Hop O'my Thumb to guide her through "The Land of the Lost," and Fairyland. The Fairies, Elves and Roses do their best to entertain her, but all this delight cannot keep a mortal, Little Rose, in Fairyland.
- 5. Folk Dances**
- I See you 3rd Grade
Lads and Lassies 4-5th Grade
6. May Pole Dance 5-6th Grade
Camp Fire Girls will serve a light lunch on the School Campus at noon.
- Two to Four P. M.**
1. Pom Pom Drill. Girls of 6-7-8th
 2. Track events on the athletic field such as pole vaulting, races, broad jumping, hurdling, shot put and ball games.

NEW BAND HOLDS FIRST REHEARSAL

Director Melvin Begins With Fine Nucleus of Experienced Musicians

The first rehearsal of the new Chamber of Commerce band was held last night at the schoolhouse with Mr. Edward Melvin in charge. Most of the evening was given over to tuning up and other preliminary work necessary to the launching of such a musical organization.

A meeting of the band committee was held in the office of the Chamber of Commerce Monday night and after going over the situation with Mr. Melvin, it was found that there were already enough players available to begin work. Mr. Melvin was very enthusiastic over the prospects and was anxious to get started at the earliest possible moment, so the date of the first rehearsal was set for last night. A canvass of the town and surrounding country for other musicians will be made in order to enlist the help of every bandman possible. Any one knowing of bandmen who are not already in the band are asked to notify the Chamber of Commerce. Judging from present indications, the band will be playing concerts in a comparatively short time.

Tucker's jewelry store has another unique window display appropriate to May Day. Dainty figures dancing around the Maypole form the center, with some charming paintings giving an appropriate outdoor background.

Parish House To Be Erected This Summer

Immediate erection of a parish house will be undertaken by the vestry of the Church of the Ascension. Plans under which the vestry have been authorized to proceed call for a building about 36x70 feet and costing \$7,000. The building will provide quarters for social events and for the various activities of the parish outside of the stated religious services.

It is expected, according to Dean W. C. Shaw, that ground will be broken for the new building on June 10. It is expected that this will be made a gala occasion with a number of men contributing a day's labor toward excavation of the basement and the ladies of the parish furnishing luncheon.

The accompanying illustration gives an idea of the general plan of the building which will stand to the east of the church building. In addition to the main auditorium there will be a large guild room and a well equipped kitchen.

The purposes for which the parish house will be used are manifold and such as will meet the requirements of an up-to-date parish work. With a fully provided kitchen, parish dinners may be given at intervals. The auditorium provides a meeting place for all sorts of parish meetings and activities. Social meetings of various characters may be held and the boys will be provided with a suitable place where they may meet for all activities that boys like. It will provide a general meeting place and in the end answer many requirements.

DINNER GIVEN AS TESTIMONIAL

Friends of J. D. Mackerras Meet to Express Appreciation of His Work

Thirty representative citizens met around the dinner table at the Venture Inn Saturday evening, gathering to express appreciation for the work of J. D. Mackerras who recently resigned as city engineer and to wish him well in his new business connections. A delicious dinner put the company in fine spirits for the after dinner talks, and brought forth many expressions of satisfaction over having a place like the Venture Inn for such occasions.

C. W. Jones presided during the after dinner talks. He expressed the deep appreciation which all felt for the services rendered by Mr. Mackerras to the community, wishing him success in his new work as appraiser for the most important banks in Pasadena, and especially the hope that he and his wife would continue to reside in Sierra Madre. He read a formal statement reciting the high character of Mr. Mackerras's training and proven ability, the unusual good fortune of such a small place as Sierra Madre in having his services, the vision of future development as well as realization of present needs which had guided him. A motion to adopt the resolution as the expression of the meeting received half a dozen seconds and was unanimously adopted, and placed in the hands of a committee engrossed.

Mr. Mackerras responded briefly with a humorous recital of conditions as he remembered his first visit to Sierra Madre in 1905, and appreciation of the words spoken and read. Brief but felicitous remarks were added by E. W. Camp, Dean Shaw, and others.

C. OF C. LUNCHEONS MAY BE WEEKLY

The regular bi-weekly luncheon of the Chamber of Commerce will be held at noon Tuesday at the Venture Inn. One of the topics for discussion will be whether the luncheon should be made a weekly affair. The luncheons are steadily becoming more popular with the business men of Sierra Madre and the attendance has steadily increased from the beginning. Recently there have been many requests for weekly luncheons and if interest seems to warrant the change, they will be held every week in the future. About 35 attended the last luncheon. Serving will begin promptly at 12 o'clock so that the meeting may close by 1 o'clock.

**"We believe ZEROLENE is the
 most efficient lubricant made for
 the modern automobile engine.
 If it were possible to make a
 better oil than ZEROLENE
 this company would make it."**

The President of the Standard Oil Company (California),
 author of the statement quoted above, is right in believing
 that Zerolene is the best motor oil made. The lubrication
 engineers of this company have proved it repeatedly, by means
 of thousands of dynamometer and road tests of Zerolene
 and competing oils.

The reasons for Zerolene's superiority are: First, that the
 Standard Oil Company (California) possesses resources of
 crude oil and of manufacturing equipment and personnel
 that are unsurpassed in the entire petroleum industry. Sec-
 ond, that the engineers and chemists of this company have,
 from the beginning, been given carte blanche to make full
 use of these exceptional resources, and to spend all the
 time and money needed to develop a lubricant ideally suited
 to the needs of the modern internal combustion engine.

At the President's request, we are undertaking to tell the
 motorists of the Pacific Coast the story of Zerolene. We
 shall do this by means of a series of signed statements in
 the public press. These statements will set forth in plain lan-
 guage the requirements of an efficient motor lubricant, and
 the detailed reasons why Zerolene meets these require-
 ments perfectly.

After adjournment, a social hour was enjoyed, Mrs. W. J. Miller and Mrs. Spencer Howard presiding at the tea table.

Social Night

Owing to the fact that the State Convention will be in session in Los Angeles, May 3-4-5, and that many of the club women will wish to attend all sessions, the club will not hold its monthly social gathering on Thursday evening, May 4. On this date, the Sierra Madre Woman's Club will be hostess club to the state and visiting officers of the convention, at a picnic luncheon to be held at Sycamore Grove and elaborate preparations are being made to make this a truly memorable occasion. At the behest of the president, Mrs. J. Milton Steinberger, the Chamber of Commerce have kindly consented to furnish favors, which they are securing at the local nursery of Bassett and Washburn. At each plate there will be a tiny potted palm, daintily wrapped and labeled. These will be carried as living souvenirs into many states of the union, as the delegates return to their homes. Any of the club ladies desirous of attending this picnic, are privileged to come and bring a basket lunch and it is hoped that Sierra Madre may be represented by a large delegation.

Dance

Remember, this is the night of the regular monthly dance, Friday, April 28, and do not fail to come.

Wisteria Tea

Regardless of the failure of "Old Sol" to show a smiling face all day Wednesday, a large crowd attended the fete given by the Woman's Club at the Fennel home. Under a wonderful canopy of purple wisteria, and almost in the shadow of the mountains, tea was served. Many expressions of delight and wonder were voiced by the hundreds of out of town guests who attended.

Long before the close of the afternoon, the candy, fruit, and cooked food booths were sold out, and a splendid demand netted good results at the flower booth, which was in charge of Mrs. Frank Hart and Mrs. W. J. Lawless. Mrs. Walker had

charge of the candy booth and was assisted by Mrs. Homer Glidden. At the cooked food booth was Mrs. Louis Dietz with Mrs. W. P. Caley assisting. Punch was in charge of Mrs. T. Henderson and Mrs. A. M. Udell. Mrs. Arthur Johnson had charge of afternoon tea, her assisting ladies being, Mrs. J. F. Sadler, Mrs. Gerald Farman and Mrs. George Mesecar. Arrayed in dainty lavender caps and aprons, the following young matrons, under the direction of Mrs. Spencer Howard served tea: Mrs. Pauline Lockwood, Mrs. Victor Hill, Mrs. F. P. Miller, Mrs. J. E. Buie, Mrs. Stella Dennison and Mrs. William Murphy.

Flitting about the grounds with dainty baskets of flowers were, Viola Fennel, Betty Shaw, Florence Swisher and Mary Jameson. Never in the history of the vine has it been more beautiful and in order that everyone may have the opportunity to see it in its prime, Mr. and Mrs. Fennel have kindly consented to allow the ladies of the club to again serve tea on Sunday, April 30. An admission fee of ten cents will be charged.

GRANT'S QUALITIES ARE NEEDED NOW

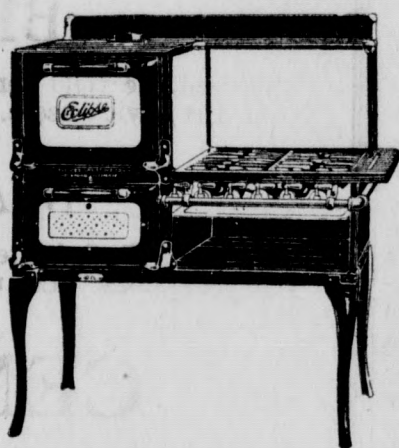

The virtues which made General U. S. Grant great in his time are the qualities which are especially needed now as we celebrate the centenary of his birth. These are well summed up by the late Theodore Roosevelt who wrote:

"Grant stood for the great, elementary virtues, for justice, for freedom, for order, for unyielding resolution, for manliness in its broadest and highest sense. His greatness was not so much greatness of intellect as greatness of character, including in the word 'character' all the strong virile virtues. It is character that counts in a nation as in a man. It is a good thing to have a keen, fine intellectual development in a nation, to produce orators, artists, successful business men, but it is an infinitely greater thing to have those solid qualities which we group together under the name of character—sobriety, steadfastness, the sense of obligation

toward one's neighbor and one's God, hard common sense, and, combined with it, the gift of generous enthusiasm toward whatever is right. These are the qualities which go to make up true national greatness and these were the qualities which Grant possessed in an eminent degree.

We have come here, then, to realize what the mighty dead did for the nation, what the dead did for us who are now living. Let us in turn try to shape our deeds so that the America of the Future shall justify by her career the lives of the great men of her past. Every man who does his duty as a soldier, as a statesman, or as a private citizen is paying to Grant's memory the kind of homage that is best worth paying. We have difficulties and dangers enough in the present, and it is the way we face them which is to determine whether or not we are fit descendants of the men of the mighty past.

LAWYERS OPPOSING TRUST CO. PRACTICE

Bar Association Attacks Position on
Drawing of Wills Free
of Charge.

Free wills, drawn by trust companies, will figure prominently in the campaign for and against various measures that will be waged between now and November, according to a statement made yesterday by Attorney Robert Mitchell, well known locally, who is a member of the campaign committee of the California Bar Association.

Following an executive committee meeting of the Southern Division members, Attorney Mitchell said that the Bar Association had opened offices in the I. W. Hellman Building, and would direct a vigorous fight against the referendum to appear on the ballot which would annul the Sample bill, passed by the last legislature and signed by the governor. This is a statute designed to prevent the unlawful practice of the law, and which follows in general substance the statutes already in effect in twenty-four states in the union.

"The trust companies of the state have been making a free will offering for a number of years," said Attorney Mitchell, "but their purpose is not analogous with that of passing the collection plate for a worthy cause. The free wills they offer are the ones drawn by their officers and which in many instances contain clauses highly beneficial to the trust companies, as we intend to show.

"The Sample bill, which was introduced by Senator Sample of San Diego, was aimed to prevent any corporation or any person other than a regularly licensed attorney who had passed an examination and who was subject to the control of the state and the courts from representing that the corporation or the individual was competent and authorized to practice law. Where the interest of the public should come in is that some trust companies make provisions in wills allowing them to reap benefits from the sale of stocks and bonds and other property to estates which they hold in trust, or to take stocks and bonds and other property out of estates and sell them as they see fit. They also introduce clauses fixing the percentage which the trust company shall receive for the handling of the estate, which percentage, we main-

tain, should be fixed by a due process of law before the courts, as is the case where wills are drawn by accredited lawyers. These provisions written into wills by trust companies enrich the trust companies in many cases unduly, we believe.

"In effect, the Sample bill prevents such practices and also prevents all persons not regularly accredited in the usual way from practicing law. The point is somewhat similar to that which has been threshed out in every state concerning the status of medical men. Without the Sample bill the public has no protection against the unlawful practice of law by persons unfit to practice.

"The trust companies have referred the Sample bill to the vote of the people and we propose to acquaint the people this summer with the facts. I do not hesitate to say that there will be some astounding revelations in this campaign, and the people will come to realize this fight is in their behalf."

**EMINENT PSYCHOLOGIST
TO LECTURE HERE**

A hearty invitation is extended to the citizens of Sierra Madre to attend a lecture to be delivered by the internationally famous Psychologist, Dr. Frank L. Riley of Los Angeles, and formerly of London, England, at the Sierra Madre Rest Home, 354 Sycamore Place, next Sunday night at 7:30.

Dr. Riley, who has lectured for many years all over the world and is an authority on Mental Science and kindred subjects, will speak on Psycho-Therapeutics as an agent in curing many obscure chronic and mental diseases.

The lecture has been arranged by Dr. E. A. Thomas who will be host to Dr. Riley and in whose home the lecture will be delivered. The lecture is free to the public and the opportunity will thus be afforded to the many who are more and more becoming interested in this phase of psychological phenomena to hear one who has made this spreading truth a life study. An opportunity to ask questions will also be afforded those who attend the lecture.

**MONEY IN BANK
FOR STREET LIGHTS**

Central Avenue will baze forth with a new flood of light very soon, according to the street lighting committee of the Chamber of Commerce which reported early this week that all the property owners had agreed to pay their part of the lighting cost and that the money is now in the bank to pay the cost of installation. The lights will extend along Central from Baldwin to Auburn. Work will begin about May 1.

G. W. Wetherby of Pasadena, district agent for the Southern Pacific, was in Sierra Madre this week looking up business in connection with another "de luxe train" for the east. The special will leave Pasadena on May 7, connecting with the steamer Mornus at New Orleans for the sea voyage to New York. The last similar tour sold out several days in advance of the leaving date. The party will be personally conducted with a splendid French chef in charge of the dining car.

**ILLUMINATED POEM
THING OF BEAUTY**

One of the attractive decorations added to the Chamber of Commerce collection this week is a picture-poem arrangement painted by Miss Frances Thorniley and presented as the joint contribution of Miss Thorniley and Jack Mitchell, the author of the poem. The background of the piece is an arrangement of mountains, flowers and birds, over which the poem, Sierra Madre, composed by Mr. Mitchell, is printed. The effect is very pleasing and is so voted by all to be an unusual combination of art and letters.

Miss Thorniley's ability to handle a brush has long been a known quantity in Sierra Madre and has lately become recognized in other places. She has recently been made one of the staff artists of the display department of the Los Angeles Chamber of Commerce, where many of the inviting scenes of Southern California which are projected onto the screen in the lecture room are the products of Miss Thorniley's palate and brush.

Mr. Mitchell is recognized as a sort of poet laureate for Sierra Madre and has composed some very entertaining verse, which will appear soon in book form.

The Savage Pike.

When bathing in Frensham pond, Surrey, Miss Shallis of Aldershot was bitten by a large pike on the leg. Its teeth making deep cuts. "When the monster darted toward me with its mouth open it looked like a shark," said Miss Shallis, "and I was so frightened when it bit my leg that I had difficulty in shouting for assistance."—London Daily Mail.

Severed Love's Tie.

One day a young man whom I had admired for some time, but who was keeping steady company with another girl, asked to take me to a party. I was overjoyed, thinking that he had left her and had come to me, only to learn later that she didn't think that she could come, and, wanting to take some girl, he had asked me. When he arrived at the party he found his old sweetheart there and turned all his attention to her. Worst of all, I had to walk home alone. That was my first and last time with him.—Chicago Journal.

STATEMENT OF OWNERSHIP,

management, circulation, etc., required by the Act of Congress of August 24, 1912, of Sierra Madre News, published weekly at Sierra Madre, Cal., for April 1, 1922

State of California,
County of Los Angeles, ss.

Before me, a notary public in and for the state and county aforesaid, personally appeared G. B. Morgridge, who, having been duly sworn according to law, deposes and says that he is the editor of the Sierra Madre News, and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management (and if a daily paper, the circulation), etc., of the aforesaid publication for the date shown in the above caption required by the Act of August 24, 1912, embodied in Section 443, Postal Laws and Regulations, printed on the reverse of this form, to wit:

1. That the names and addresses of the publisher, editor, managing editor and business managers are: Publishers, Sierra Madre Press, Inc., Sierra Madre, Cal.; editor and business manager, George B. Morgridge, Sierra Madre, Calif.

2. That the owners are: (Give names and addresses of individual owners, or, if a corporation, give its name and the names and addresses of stockholders owning or holding 1 per cent or more of the total amount of stock): Sierra Madre Press, Inc.; stockholders owning 1 per cent or more of total stock: J. D. Mackerras, George B. Morgridge, Victor C. Hill, A. W. Wotkins, M. C. Rodgers.

3. That the known bondholders, mortgagees and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages or other securities are: (If there are none, so state). None.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholders or security holders appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

George B. Morgridge, Editor.

Sworn to and subscribed before me 31st day of March, 1922.
